Important Election Information

All Voters will receive a Vote by Mail ballot for this Election. Please be sure to review the information provided with the ballot and return envelope for instructions on how to properly mark and return your ballot.

Official Ballots will begin mailing by October 10, 2022. If you do not receive your Vote by Mail ballot by Saturday, October 15, 2022, contact our office or check your ballot status at https://voterstatus.sos.ca.gov/
In this year’s elections, some polling places will have translated sample ballots that voters can use as a reference when voting. The polling places that will have them are determined by the Secretary of State. To find out if your polling place will have a translated sample ballot, or to request to have one sent to you before Election Day, please visit our website or call our office. Requests must be received no later than 7 days before Election Day.

If you need assistance when voting, you may bring up to two people with you to your polling place, as long as they are not representatives of your employer or your union. Bring a family member or friend!

Spanish/Español

En las elecciones de este año, algunos lugares de votación contarán con modelos de boletas traducidas que los votantes pueden usar como referencia al votar. La Secretaría de Estado determina qué lugares de votación contarán con estos modelos de boletas. Para saber si su lugar de votación contará con una boleta modelo traducida, o para solicitar que le envíen una antes del Día de Elecciones, por favor, visite nuestro sitio de internet o llame a nuestra oficina. Las solicitudes se deben recibir antes de los 7 días previos al Día de Elecciones.

Si necesita ayuda al votar, puede llevar hasta dos personas con usted a su lugar de votación, siempre que no sean representantes de su empleador o sindicato. ¡Lleve a un familiar o amigo!

Ngayong eleksyon ngayong taon, ang mga lugar ng botohan ay magkakaroon ng mga balota na pwedeng pagbasehan para sa proseso ng pagboto. Ang mga lugar na pagbobotohan na magkakaroon ng mga balotang ito ay tutukuyin ng Sekretarya ng Estado. Upang malaman kung ang iyong lugar na pagbobotohan ay may naaisalin na balota o para humingi ng kopya nito bago ang Araw ng Eleksyon, pakibisita lamang ang aming website o tawagan ang aming opisina. Lahat ng hiling ay dapat matanggap sa loob ng 7 araw bago ang Araw ng Eleksyon.

Kung kailangan niyo ng tulong sa pagboto, pwede kayong magdala ng hanggang dalawang tao sa lugar ng botohan basta sila ay hindi kinatawan ng iyong lugar na pinagtratrabahuan o ng iyong unyon. Magdala kayo ng miyembro ng pamilya o isang kaibigan!
Accessible Voting

The following resources are available to assist voters. **To apply for assistance, please complete and return the application on the back of this guide.**

**Language Assistance.** Bilingual (English/Spanish) staff will be available at all county election offices and polling places. Assistance for additional languages is available using an interpreter service.

**Election Materials in other Formats.** Audio CDs and large print versions of the information printed in this guide and the State Voter Information Guide are available upon request.

**Remote Accessible Vote by Mail (RAVBM) System.** The RAVBM system allows a voter to independently download, mark, and print their ballot on their own computer using their personal assistive device (including mouse). The voter can then use the return envelope that came with their Vote by Mail ballot packet or their own envelope to return the voted ballot and signed declaration. RAVBM ballots can be returned in the same way as all other Vote by Mail ballots and have the same receipt deadline.

To request a RAVBM Ballot, please call 1-800-722-8683 or email votebymail2@countyofsb.org. For more information see the Remote Accessible Vote by Mail page at www.sbcvote.com/RAVBM.

**Curbside Voting.** Curbside voting is available at all county election offices and polling places for voters unable to come into the designated location. To use curbside voting, voters can:

- Call 1-800-722-8683 in advance to request curbside voting at the county elections office or polling place; or
- Follow the curbside voting signs to the designated parking space and ring the bell for assistance or call 1-800-722-8683 once arriving at the polling place.

**Accessible Voting System.** Each county elections office and polling place will have at least one (1) ImageCast X® (ICX) ballot marking device with ballots available in English and Spanish, and the following:

- An audio option that reads the ballot in both languages through provided headphones;
- A universal plug for personal assistive devices if needed; and
- Large print and black/white contrast.

**Other Aides Available at the Polling Place Upon Request.** Easy grip pens and Handi-Lens Magnifiers are available upon request.

**Personal Assistance Marking Your Ballot.** Voters have the right to get help casting their ballot from anyone they choose, except from their employer or union representative. Voters can bring up to two (2) people to assist them. A voter may be asked to use the curbside voting option if, at the time of the election, COVID-19 guidelines require limiting capacity at locations.
How to Vote at the Polls

Find your polling place on the back cover of this guide or call the county elections office at 1-800-SBC-VOTE or 1-800-722-8683.

Look near the wheelchair symbol on the back cover of your guide to determine if your polling place is accessible to voters with specific needs. The county elections office attempted to locate polling places that are accessible to all voters. However, in some cases a location needed to be used that didn’t meet all the accessibility requirements. Due to this, we are offering curbside voting at all our county elections offices and polling places.

What do I do to vote at my Polling Place?

1. Take your ballot you received in the mail to your polling place and give it to the Check-In Clerk.
2. You will be asked to provide your name and address and if you will need any assistance.
3. You will then be asked to verify your information and sign on the Electronic Poll Book Tablet.
4. You will then be provided a ticket to retrieve your Poll Ballot from the Ballot Issue Workstation. Please make sure your ballot matches the Sample Ballot in this guide and follow the instructions on the ballot.
5. Vote your ballot at one of the voting booths and use the disposable secrecy sleeve to cover your voted choices. Then take it to the ballot box to deposit.

What to do if...

You do not have your Vote by Mail ballot to turn in and want to vote at your polling place:

- If the election officers at your polling place are able to confirm that you have not already returned a ballot, you will be given a Poll Ballot to vote. If the election officers are unable to confirm that you have not already voted, you will be issued a Provisional Ballot which will be counted once it is confirmed you have not already voted in the election.

You changed your name and did not reregister:

1. Let the Check-In Clerk know. They will give you a new voter registration card to complete.
2. You will need to sign your new and old name on the Electronic Poll Book Tablet.

You are at the wrong polling place or you are listed at a different address:

- You will be given a form to complete to update your address.
- If you are at the wrong polling place, you will be given the option to go to your correct polling place; or
- You have the option to vote provisionally using an ImageCast® X (ICX) ballot marking device for your precinct’s ballot, or you will be issued a ballot from the available ballots at the polling place. In this case, only the contests you are eligible to vote on will be counted.

You need assistance marking your ballot:

- You may ask to use the ImageCast® X (ICX) ballot marking device to vote independently.
- You are allowed to bring up two (2) people to assist you with marking your ballot.
  - Assistance CANNOT be provided by your employer or an officer or agent of a union you are a member of.
- Tell the Check-In Clerk that you need assistance voting your ballot. A poll worker is able to assist if needed.
- You and your assistant(s) will be asked to complete an Assisted Voter Form.
VOTE SAFE with Your Vote by Mail Ballot

All California voters will receive a Vote by Mail ballot for the **November 8, 2022** election. Your county elections office will begin mailing ballots, in envelopes similar to the one pictured below, beginning **October 7, 2022**.

![Voting by Mail Ballot Envelope](image)

**Voting by mail is **SAFE **and EASY.**

After marking your choices on your ballot, simply:

- **Seal it.**
  Secure your ballot inside the envelope from your county elections office.

- **Sign it.**
  Make sure the *signature on your ballot envelope matches* the one on your CA driver license / state ID, or the one you provided when registering. Your county elections office will compare them to protect your vote.

- **Return it.**
  - **By mail** - Make sure your ballot is postmarked by **November 8, 2022**.
  - **In person** - Drop your ballot off at a secure official ballot drop box (see list included in guide), polling place, or county elections office by **8pm on November 8, 2022**.

- **Track it.**
  You can confirm the county elections office has received your ballot using the Secretary of State’s My Voter Status look-up tool at: [https://voterstatus.sos.ca.gov/](https://voterstatus.sos.ca.gov/)

Ballots postmarked on or before Election Day are considered timely if received by November 15. Official ballot drop boxes are open 24-hours per day from 8am on October 10 to 8pm on November 8.

**All County Elections Offices open Monday – Friday, except holidays, beginning October 10:**

Important Voter Registration Information

Eligibility to Register to Vote
A person entitled to register to vote must be a United States citizen, a resident of California, not currently serving a state or federal prison term for the conviction of a felony, not currently found mentally incompetent to vote by a court, and at least 18 years of age at the time of the election. A person may pre-register to vote if that person is at least 16 years of age and meets all the other requirements to vote. Pre-registrants are automatically registered to vote on their 18th birthday.

Has your voter registration status changed?
- Have you moved?
- Have you changed your name?
- Have you changed your political party preference?
- Has your mailing address changed?

If you can answer yes to any of these questions, then you need to update your voter registration at http://www.registertovote.ca.gov or follow the link on the Santa Barbara County Elections Division website at http://www.sbcvote.com.

Requirements for First Time Federal Voters
Any person voting for the first time who registers by mail and does not provide their California driver’s license, California identification number, or last four digits of their Social Security number, will be asked to show a form of identification when they go to the polls, or must provide a copy of that identification with their Vote by Mail ballot. Failure of First Time Federal Voter to provide identification when voting, may result in their ballot not being counted. There are 30 forms of identification that can be used for this purpose under the Help America Vote Act of 2002, including a government issued check or a utility bill that includes the person’s name and address.

For a full list of the forms of identification that can be used, visit the Secretary of State’s website at: https://www.sos.ca.gov/elections/hava-id-standards/.

Forgot to update your registration or know someone that needs to register?
No problem! If you need to update your voter registration or know someone that needs to register to vote, eligible citizens can register to vote and vote a ballot up to and including Election Day. This is known as conditional voter registration.

Conditional voter registration can be done at any county elections office or polling place in your county. If your residence address has changed and you did not update your registration with your new residence address, your polling place on the back cover of this guide might not be the correct polling place for your new residence address.

To find the correct polling place for your address and make sure you receive a ballot containing all contests you are eligible to vote on, please call our office at 1-800-SBC-VOTE (1-800-722-8683). You can also use the polling place lookup on the current election page on our website at http://www.sbcvote.com.

If you do not confirm your polling place, the ballot you may be given might not be the exact ballot that you are entitled to vote; it may have different candidates and ballot measures. Once it is determined that you are eligible to register to vote, the county elections office will count only the votes for the candidates and measures that you were entitled to vote.
Who are my Representatives?

What is redistricting?
A national census is conducted every ten years to provide an updated count of the country’s population. State and county redistricting commissions and jurisdictions then use the census data to redraw jurisdictional district boundaries to adjust for changes in population and ensure equal representation. Additionally, many cities, school districts, and special districts use the census data to determine if they will be moving from “at-large” representation to “district-based” representation. The Elections Division then adjusts precinct lines to align with the new jurisdictional district boundaries. This may result in new precincts being added and/or changes to precinct numbers.

What does “district-based” representation mean?
Cities, school districts, and special districts may choose to have some or all of their elected councilmembers, trustees, or directors elected by, and represent, a specific geographical area within their jurisdiction.

This method of election is known as “district-based” or “by district.” Only voters living within the jurisdiction’s district will vote on a candidate that also lives within that district. The other method of election is “at-large,” which means that voters of the entire jurisdiction will vote on a candidate that also lives within the jurisdiction.

Some jurisdictions use both methods, for example, a city may choose to have their Mayor elected “at-large” and their councilmembers elected “by district.”

What does this mean for me as a voter?
The newly adopted jurisdictional boundaries may change what districts you live in, your precinct number, your polling place, who your elected representatives are, and what contests will appear on your ballot. For instance, if you lived in the Assembly District 35 in Santa Barbara County, you now live in the Assembly District 37. For the upcoming election, your ballot will contain the contests you are eligible to vote on based on the new jurisdictional district boundaries.

NOTE: Your representatives will remain the same until the election for the new district occurs and the elected representative’s term begins.

What Congressional and State Legislative districts are in Santa Barbara County?
Santa Barbara County is now within one U.S. Congressional district, one State Senate district, one State Assembly district, and one State Board of Equalization district.

The new districts are:
- U.S. Congressional District 24 (up for election in 2022)
- State Senate District 21 (up for election in 2024)
- State Assembly District 37 (up for election in 2022)
- State Board of Equalization District 2 (up for election in 2022)

Where can I view the newly adopted jurisdictional boundaries?
State Legislative district boundary maps may be viewed on the California Citizens Redistricting Commission’s website (www.wedrawthelinesca.org).

County Supervisorial district boundary maps may be viewed on the Maps link under the Resources menu at www.sbcvote.com.

For cities, school districts, and special districts, please visit the jurisdiction’s website to view their adopted maps.

How can I look up who my representatives are?
You can find the information about your current representatives using the District and Elected Official Lookup tool at www.sbcvote.com, or by contacting the Elections Division office at 1-800-SBC-VOTE (1-800-722-8683).

Expenditure Limitations – State Legislative Candidates

Voters passed Proposition 34 in November 2000. This law requires the county elections office to tell voters the names of candidates who agree to campaign spending limits. This law only applies to candidates for State Legislative offices. Candidates who agree are allowed to pay for and publish a Candidate’s Statement of Qualifications in this guide.

The following candidates have agreed to abide by the campaign spending limits.

THE FOLLOWING PAGES CONTAIN CANDIDATE STATEMENTS OF QUALIFICATIONS

Candidates have the option to prepare and pay for a Candidate’s Statement of Qualifications (candidate statement) to be printed in this guide.

Candidate statements are printed exactly as submitted, including errors.

The candidate statements are arranged by candidate’s last name in a random alphabet order. The random alphabet used depends on the contest, following either the randomized alphabet drawing conducted by the Secretary of State’s office or the county elections office.

The following pages may or may not represent a complete list of candidates. For a complete list of candidates on your ballot, please see the Sample Ballot pages of this guide.
BRAD ALLEN  
Occupation: Pediatric Heart Surgeon and Small Business Owner  
Education and Qualifications: I am running for Congress because I believe our country has lost its way.

This Administration’s policies have caused the highest inflation in 40 years, suffocated businesses with overregulation, increased crime and attacks on police, doubled gas prices, encouraged immigrants to stream across open borders, and failed our children’s education; the list of problems is endless.

As a pediatric heart surgeon, I’ve spent 40 years practicing and studying medicine, all to help people live better lives. I’m also a small business owner. As your congressman, I will take the real-life problem-solving approach I learned as a doctor and business owner to Washington D.C. to provide real solutions, not more politics.

I want to reduce spending and cut federal regulations to lower inflation and let businesses flourish. Bring back public safety by supporting law enforcement, give parents more school choice, stop government mismanagement of Covid-19, and solve our energy shortage by increasing domestic energy production from all sources.

I will bring common sense, accountability, and real-life experience to Congress, instead of empty political talking points. I want to help end government that is too big, too intrusive, and utterly irresponsible with your money.

That is why, in this era of political evasion and posturing, I offer a written commitment that clearly states my positions, no fine print. (www.drbradallen.com/contract)

If you have finally had enough of career bureaucratic politicians, and want a leader that brings real-life commonsense solutions, then I humbly ask for your vote.

For more information, please visit www.drbradallen.com. Thank you.

SALUD CARBAJAL  
Occupation: Member of Congress  
Education and Qualifications: I’m Salud Carbajal, and as your Representative in Congress, I have continued to advance our Central Coast priorities and deliver for our communities.

I grew up in Ventura County, where my father worked as a farmworker. I attended UCSB while working two jobs to become the first in my family to graduate from a university. I proudly served in the Marine Corps Reserves and as a Santa Barbara County Supervisor. My wife, Gina, and I raised our family here, and now our grandchildren are growing up in this community.

In Congress, I’ve focused on solving challenges facing Central Coast families by passing laws that will curb inflation, lower your costs, and create good-paying jobs. I’ve worked to bring home million-dollar investments to expand access to public transit, high-speed internet, and clean drinking water.

I’m proud to have spearheaded efforts to bring long overdue reforms to gun safety laws, expand veterans’ health benefits, and reduce the cost of healthcare and prescription drugs. I’m fighting for climate solutions that will tackle wildfire and drought responses. And I will always protect reproductive rights and marriage equality.

I would be honored to continue working for you in Congress.

For more information, please visit SaludCarbajal.com.

I kindly ask for your vote. Thank you.
STATEMENT OF CANDIDATE FOR
Member of the State Assembly, District 37

MIKE STOKER
Occupation: Small Businessman

Education and Qualifications: California is headed down the wrong track. Inflation is at a 40-year high; housing, gas and groceries are too expensive; and wages have remained flat for too many. All the while, career politicians continue to attack Prop. 13 taxpayer protections and push pro-criminal policies that cut funding for law enforcement.

These politicians are taking California in the wrong direction for parents, law enforcement, small businesses, farmers and taxpayers. They’re even pushing policies that make water and energy a scarcity.

It’s time for a new direction for California!

For 40 years, I have lived, worked and raised a family right here on the Central Coast. In addition to owning and operating my own small business, I have always answered the call for public service when asked by Presidents or Governors. As a former County Supervisor, Deputy Secretary of State, Chair of the Agriculture Labor Relations Board and Southwest Administrator for the Environmental Protection Agency, I have stepped up to the plate and got the job done.

Like any California small business owner, I have never been one to run away from a challenge. As your next Assemblyman, I’ll bring the same small business mentality to Sacramento to tackle California’s issues head-on.

The question for you in this election couldn’t be simpler. If you think inflation is bad and California is headed in the wrong direction we need a proven leader, not a career politician. Join me as we chart a new course for California. Please visit www.StokerforAssembly.com to learn more.
STATEMENT OF CANDIDATE FOR Governing Board Member  
Santa Ynez Valley Union High School District – Short Term, At-Large

LEE ROSENBERG  
Occupation: Retired Executive

Education and Qualifications: Education is the bedrock of a good and successful society. Our schools must produce talented, thoughtful men and women capable of critical thinking and creativity. Our future depends on them. As a Board Member of the Santa Ynez High School, I believe I have the experience that enables me to make a substantial contribution to that mission. After graduating from Harvard University and subsequent to my service in the U.S. Army, I formed a company that employed over four hundred employees, providing me with broad business and management experience. I taught Ethics and Ethical management at the University of Southern California and was a founder of Stephen Spielberg’s Starlight/Starbright Foundation serving many children’s hospitals. I created the Foundation Board of the Venice Family Clinic, the country’s largest free healthcare service provider. I have lived in the Valley for twenty-two years and have served on the board of People Helping People, The Solvang Theatrefest, founded the Valley Conference and the Central County Coalition and am currently on the steering committee of Sheriff Brown’s Project Opioid. The School needs a clear Vision and Mission and I have the experience to further that objective. I will greatly appreciate your vote and support.

STATEMENT OF CANDIDATE FOR Governing Board Member  
Santa Ynez Valley Union High School District – Short Term, At-Large

ANNA SCHRYER  
Occupation: Licensed Clinical Social Worker

Education and Qualifications: I’m Anna Schryer. My husband and I are the parents of six children, three who attended Valley public schools from preschool through Santa Ynez Valley High School. I’m proud of my years volunteering at school events and serving as the SYVHS PTSA President in support of our students, families, and teachers. I feel my volunteerism has helped make our schools a welcoming place where all students can grow and succeed.

I hope to use this opportunity to serve as your school board member at large to build on my experience and offer my valuable perspective as a mental-health professional.

For over a decade, I have worked side by side with educators and families to create focused social emotional/behavioral interventions to support student achievement. I have served as a school-based clinician providing mental health treatment for students from age 5-22 in small class environments, special day classes, therapeutic schools, traditional high schools and continuation high schools.

I hope to bring my unique experience and perspective as a parent, a school volunteer and an experienced school clinician to represent the needs of students and families. Please give me this opportunity to win your trust and earn your vote.

STATEMENT OF CANDIDATE FOR Governing Board Member  
Santa Ynez Valley Union High School District – Short Term, At-Large

CHRISTOPHER F JOHNSON  
Age: 57  
Occupation: Contractor/Business Owner/Coach

Education and Qualifications: I am blessed to be a 3rd generation Santa Ynez Valley resident. I have a great appreciation for what this valley has done for me, and what it has to offer the diverse community we live in.

I am running because I believe my skillset as a multiple business owner and a long time coach gives me what is needed to be a productive and fair board member with safety, goals and needs of our youth as priority one to help them become productive and happy members of society.

| STATEMENT OF CANDIDATE FOR  
| Member, City Council District 4  
| City of Solvang |

**ROBERT CLARKE**  
Age: 63  
Occupation: Businessman  
**Education and Qualifications:** My name is Robert Clarke and I am running for re-election to the Solvang City Council, District 4.

For the last 3 plus years, my focus has been on all the residents of Solvang. My main priority is establishing a balance between the need for tourism and preserving the quality of life for the residents that live here. As we enter into district representation, I will continue to fight for all the taxpaying residents of Solvang, with a specific focus on those who reside in district 4.

With your continued support, I look forward to serving the residents of our wonderful city for another 4 years.

| Member, City Council District 4  
| City of Solvang |

**ELIZABETH P. ORONA**  
Occupation: Technology Sales Executive  
**Education and Qualifications:** As a member of the Solvang City Council District 4, I would dedicate my energy and experience to representing the residents of Solvang and their interests to provide a safe and affordable quality of life.

I have been a resident in Solvang since 2014, and all my family members live in Santa Barbara County, having roots here since the 1980s. Solvang is a fantastic place to live, visit and enjoy and I am inspired by our evolving community, the public services and the businesses that support it. As City Council member, I would bring 35 years of experience in business and social community service in the Information Technology industry, having helped companies of all sizes use technology to run their businesses. I spent the early years of my career in Los Angeles, and have done work in several states and for several international companies doing business and travelling globally. I have a degree from U.C.L.A. in Mathematics/Applied Sciences.

I will bring advocacy for the residents and prioritize maintaining Solvang’s great appeal through fiscal responsibility, innovative services and a commitment to business and tourism success to benefit all residents.

BALLOT MEASURES, ANALYSES AND ARGUMENTS
(For measures that will be on your ballot)

Arguments in support of or in opposition to the measure are the opinions of the authors. All information for ballot measures are printed exactly as submitted, including errors.

If you desire a copy of an ordinance or measure which has not been included in this guide, please call the county elections official’s office at 1-800-SBC-VOTE or 1-800-722-8683, and a copy will be sent to you at no charge. You may also access the full text of an ordinance or measure by going to www.sbcvote.com and clicking on the date and name of the election in the Current Activities menu.
This measure was placed on the ballot by the Board of Trustees of the Buellton Union School District, which is the governing board of the District.

If approved by 55% of the voters voting on the proposition, this measure authorizes the Buellton Union School District (District) to issue and sell bonds in the maximum principal amount of $8.8 million to provide financing for the specific types of school facilities projects listed in the District's Project List. The Project List, as well as the full text of the measure, are printed in the voter information guide. None of the proceeds from the sale of bonds may be used for teacher or administrator salaries or operating expenses.

The bonds and interest thereon would be payable from property taxes levied on taxable property in the District. These taxes would be in addition to the property taxes currently levied on taxpayers in the District. The amount of the increased taxes each year would depend upon the amount needed to pay the principal and interest on the bonds. The District's estimate of the final fiscal year in which the tax is anticipated to be collected is 2046-47.

The District’s estimate of the final fiscal year in which the tax is anticipated to be collected is 2046-47.

The bond measure includes the following accountability requirements:

A. A requirement that the proceeds from the bond sale be used only for the above purposes and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

B. A list of the specific school facilities projects to be funded and certification that the School District's Board of Trustees has evaluated safety, class size reduction, and information technology needs in developing that list.

C. A requirement that the School District’s Board of Trustees conduct annual, independent performance audits to ensure that the funds have been spent only on the specific school facilities projects listed in the Project List.

D. A requirement that the School District’s Board of Trustees conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in the Project List.

E. If the measure is approved, the School District’s Board of Trustees will also establish an independent citizens’ oversight committee to ensure bond proceeds are used only to fund the specific projects listed in the Project List, as printed in the voter information guide.

August 11, 2022

An election will be held in the Buellton Union School District (the "District") on November 8, 2022, to authorize the sale of up to $8.8 million in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is 2.6¢ per $100 ($26.19 per $100,000) of assessed valuation in fiscal year 2022-23. It is currently expected that the tax will be collected until fiscal year 2046-47.

2. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is 3¢ per $100 ($30 per $100,000) of assessed valuation. This rate is projected to apply in each fiscal year that the bonds are outstanding.

3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately $15,363,610.

These estimates are based on projections derived from information obtained from official sources, and are based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions. The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

ARGUMENT IN FAVOR OF
MEASURE R2022
BUELLTON UNION SCHOOL DISTRICT

Our schools are the most important assets in our community and should be our number one priority. From higher achieving students, to training for future jobs, to greater neighborhood safety, quality schools make a difference. We have an opportunity to maintain the quality of our local Buellton Union elementary schools without increasing our taxes by voting YES on Measure R2022.

Although neighborhood schools, Jonata Middle School and Oak Valley Elementary School, have been well maintained over the years and have had some major recent renovations, our work is not done. These aging school facilities need major classroom and infrastructure improvements to preserve the excellent education provided to local children. By improving our neighborhood schools, we can meet today's safety, technology, and educational standards and better our community.

Measure R2022 will upgrade and renovate classrooms, restrooms, and school facilities by:

• Repairing or replacing leaky and/or deteriorating roofs
• Improving student access to computers and modern technology
• Renovating or replacing outdated heating, ventilation and air-conditioning systems
• Modernizing/constructing classrooms, restrooms and school facilities, and
• Making safety, health, and security improvements

Measure R2022 makes financial sense and protects taxpayers:

• Measure R2022 will not increase the tax rate local property owners are currently paying. Instead, it will simply extend the school improvement program by an additional 13 years.
• All funds must be spent locally and cannot be taken by the State
• By law, an independent citizens' oversight committee must annually audit and review spending
• Funds can only be spent to improve facilities, not for teacher or administrative salaries

Measure R2022 upgrades and repairs old classrooms, improves the education of local children, and maintains the quality of our community, all without increasing taxes. That's something we can all support.

Please join us and VOTE YES ON MEASURE R2022!

FULL TEXT
MEASURE R2022
BUELLTON UNION SCHOOL DISTRICT

INTRODUCTION

"To improve the quality of education; upgrade, modernize, and renovate classrooms, restrooms and school facilities; repair or replace leaky roofs; and upgrade inadequate HVAC systems; shall Buellton Union School District issue $8,800,000 of bonds at legal interest rates, generating on average $731,600 annually as long as bonds are outstanding at a rate of approximately 2.6 cents per $100 assessed value, with annual audits, independent citizens' oversight committee, NO money for salaries and no money taken by the State?"

BOND AUTHORIZATION

By approval of this measure by at least 55% of the registered voters voting on the measure, the District will be authorized to issue and sell bonds of up to $8.8 million in aggregate principal amount at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List included below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIIIA, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The Board of Trustees of the District has identified detailed facilities needs of the District and has determined which projects to finance from a local bond. The Board of Trustees hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List described below.

Independent Citizens’ Oversight Committee. Following approval of this measure, the Board of Trustees will establish an independent citizens’ oversight committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board of Trustees.

Performance Audits. The Board of Trustees will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The Board of Trustees will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the Santa Barbara County Treasurer, as required by the Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed with the Board of Trustees of the District not later than January 1 of each year, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), specifically the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.
STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District’s proposal for the projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

Voters are informed that any estimates or projections in the bond measure or ballot materials, including relating to estimated tax rates, the duration of issued bonds and related tax levies and collections are provided as informational only. Such amounts are estimates and are not maximum amounts or limitations on the terms of the bonds, the tax rate or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District’s overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations are provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District. In addition, the abbreviated and condensed statement of the bond measure presented to voters which is subject to a word count limitation imposed by State law does not limit the scope and complete meaning of the measure provided in this Full Text of Bond Measure and related ballot materials.

BOND PROJECT LIST

Scope of Projects. Bond proceeds will be expended on the modernization, renovation, expansion, acquisition, construction/reconstruction, rehabilitation, and/or replacement of school facilities of the Buellton Union School District, including the furnishing and equipping of such school facilities, at all current and future sites and properties.

School Facility Project List. The items presented on the following list provide the types of school facilities projects authorized to be financed with voter-approved bond proceeds. Specific examples included on this list are not intended to limit the types of projects described and authorized by this measure. The following types of projects are authorized:

• Repair or replace leaky and/or deteriorating roofs
• Repair or replace outdated heating, ventilation and air-conditioning systems
• Improve student access to computers and modern technology, including providing necessary infrastructure such as upgrading/replacing electrical systems, hardware, software, computers, devices and other modern instructional equipment throughout District sites
• Replace temporary portables with permanent classrooms
• Modernize, renovate, construct and/or expand aging and outdated classrooms, restrooms, multipurpose rooms and buildings, libraries, computer and science labs, cafeterias, kitchens, student services, and other school facilities to meet modern educational standards, including providing updated furnishings and other equipment to facilitate a modern and healthy learning environment and operational and efficient facilities
• Make health, safety and security improvements to comply with all applicable laws and regulations and to ensure the safety and security of District students, staff and facilities, including fire alarm compliance, communication systems, surveillance, pest control and fencing
• Make Federal and State-mandated Americans with Disabilities Act (ADA) accessibility upgrades including ensuring site access, parking, staff and student restrooms, relocation of existing electrical devices, drinking fountains, playground equipment, etc. as necessary to ensure adequate accommodations are provided and all legal requirements are met
• Upgrade, repair and/or expand infrastructure serving District facilities such as utility systems (gas, water, sewer) and storm drainage systems
• Improve, rehabilitate and/or construct outdoor physical education fields, gym, playgrounds and play structures, including providing related equipment and facilities
• Repair or replace deteriorating sewer systems and plumbing
• Improve, modernize and equip support facilities such as restrooms, cafeteria, kitchen, eating and other gathering spaces
• Make energy efficiency improvements, including replacing or upgrading doors, windows, insulation and flooring and solar
• Abate and remove hazardous materials identified prior to or during construction
• Upgrade and repair outdoor areas such as parking, vehicle traffic areas, bus barn facility, grounds and storm drainage systems, including grading and resurfacing, repairing and/or replacing asphalt and concrete, installing signage, shade structures, lighting, walkways, ADA access ramps, and make landscaping improvements including installation/upgrade of irrigation systems
• Implement water conservation methods, such as irrigation systems and irrigation control systems, and installation of efficient, drought-resistant landscaping
• Improvements to ensure compliance with all requirements of the California Department of Education and other authorities with respect to providing facilities for all students including facilities for Transitional Kindergarten

Each of the bond projects described in this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the types of projects described above.

Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, bond project construction management, administration and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; demolition and disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; and costs of the election; bond issuance costs; and project administration during the duration of such projects, as permitted by law.

The District may alter the scope and nature of any of the specific projects that are described above as required by unforeseen conditions that may arise during the course of design and construction. In the event that a modernization or renovation project may result in higher costs than new construction, this bond measure authorizes land acquisition, relocation and construction and/or reconstruction, and all costs relating thereto, for said reasons or, alternatively, based on other considerations deemed in the best interest of the District by the Board of Trustees. In addition, authorized projects include paying and/or prepaying interim or previously obtained financing for the types of projects included on the project list, such as bond anticipation notes, and includes prepayment of lease payments to acquire title to facilities and/or equipment previously financed. Projects may also be undertaken on a joint use basis with other public entities.

Approval of this bond measure does not guarantee that the proposed projects will be funded beyond the local revenues generated by the measure. The District's capital needs currently exceed the amount of bonds the voters are being asked to authorize. The District plans to pursue funds from other sources to advance the identified projects to the extent possible. If matching funds from the State or any other source become available, they will be used for and applied to the Bond Project List.

The order in which particular projects are listed is not intended to suggest priority for funding or completion, and itemization of projects in the list above does not guarantee that all such projects will be undertaken. Project priorities will be determined by the Board of Trustees. The ability of the District to undertake and complete the listed projects is subject to numerous variables including the adequacy and availability of sufficient funding sources. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

The Bond Project List shall be considered a part of this ballot proposition, and shall be reproduced in any official document required to contain the full statement of the bond proposition.

STATE MATCHING FUNDS

Approval of Measure R2022 does not guarantee that the proposed project or projects in the Buellton Union School District that are the subject of bonds under Measure R2022 will be funded beyond the local revenues generated by Measure R2022. The school district's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.
If approved by the voters, Measure U2022, entitled “City of Solvang Local Control and Essential Services Measure”, would amend the Solvang Municipal Code to impose within the City a retail transactions and use tax, commonly known as a sales tax. This measure is authorized by the State Legislature under Revenue and Taxation Code Section 7285.9. This measure would set the retail transactions and use tax rate at one percent (1.00%). At this rate, for example, a retail transaction $100 in value would generate a tax of $1.00. The proposed tax would be imposed upon the sale of all tangible personal property sold at retail within the City. This measure would authorize the City to enter into a contract with the California Department of Tax and Fee Administration to administer and collect the tax.

The proceeds of this tax would be deposited into the City’s general fund to be used for such general municipal governmental purposes as the City Council shall direct. Among such purposes are pothole and street repair, flammable brush removal, 911 emergency response, neighborhood police patrols, recreation programs, and other vital city services.

This measure would provide several enumerated exemptions and exclusions from the transactions and use tax. It would further prohibit the issuance of any injunction to prohibit the collection of the tax. This measure would establish a citizens’ oversight committee to review the revenue and expenditure of funds collected from the tax.

The ordinance proposed by this measure will only become effective if approved by a majority of those electors voting on the measure.

A YES vote approves the measure.
A NO vote rejects the measure.

This measure was placed on the ballot by the City Council of the City of Solvang.

AN ORDINANCE OF THE CITY OF SOLVANG CALIFORNIA IMPOSING A LOCALLY CONTROLLED ONE CENT TRANSACTIONS AND 
USE (SALES) TAX TO BE ADMINISTERED BY THE CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION

THE PEOPLE OF THE CHARTERED CITY OF SOLVANG DO ORDAIN AS FOLLOWS:

SECTION 1. Chapter 3-6 is hereby added to the Solvang Municipal Code to read as follows:

"3-6-1. SHORT TITLE. This ordinance shall be known as the City of Solvang Local Control and Essential Services Measure. The City of Solvang hereinafter shall be called "City." This ordinance shall be applicable in the incorporated territory of the City.

3-6-2. OPERATIVE DATE. "Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

3-6-3. PURPOSE. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

   A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2, authorizing the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

   B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

   C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

   D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

3-6-4. CONTRACT WITH STATE. Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3-6-5. TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 1.00% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

3-6-6. PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3-6-7. USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 1.00% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.
3-6-8. ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

3-6-9. LIMITATIONS ON ADOPTION OF STATE LAW AND COLLECTION OF USE TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of the City shall be substituted therefor. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

   a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

   b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

3-6-10. PERMIT NOT REQUIRED. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

3-6-11. EXEMPTIONS AND EXCLUSIONS.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:

   a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

   b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance, in which case the tax rate shall be the rate in effect in the City prior to the operative date of this ordinance.
4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance, in which case the tax rate shall be the rate in effect in the City prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance, in which case the tax rate shall be the rate in effect in the City prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale of the property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property for any consumption, storage, or use in this City.

3-6-12. AMENDMENTS. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

3-6-13. ENJOINING COLLECTION FORBIDDEN. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

3-6-14. CITIZENS’ OVERSIGHT COMMITTEE. Although not otherwise required by law, the city council shall, by resolution adopted before the operative date of this chapter, establish a citizens' oversight committee to review the revenue and expenditure of funds from the tax adopted by this chapter. The members' terms and qualifications, and duties and scope of the committee, shall be as established by the resolution.

SECTION 2. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.
SECTION 3. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City transactions and use taxes and shall take effect immediately upon approval by the voters.

SECTION 4. CERTIFICATION. The City Clerk shall certify the passage of this ordinance and forward a copy of the adopted ordinance to the California Department of Tax and Fee Administration.
Sample Ballot Information

Sample Ballots are available in English and Spanish. Sample Ballots may also be available in Chinese, Korean, Tagalog depending on your precinct. Please see the Language Assistance section of this guide for more information.

How to Use the Sample Ballot

Use the Sample Ballot in this guide to review your choices for the contests on your ballot. When you are ready to vote, mark the Sample Ballot and use as a reference when marking your Official Ballot that was mailed to you.

If you choose to vote in person, take the completed Sample Ballot with you to your polling place listed on the back cover of this guide.

Notice to All Voters Regarding the United States Senate Contests

There are two United States Senate contests on the November 8, 2022, General Election ballot.

- The first contest is the regular election for the full 6-year term ending January 3, 2029.
- The second contest is a special vacancy election (the current officeholder is temporarily filling a vacancy) for the remainder of the current term ending January 3, 2023.

You may vote for both contests.

Party Endorsements – Submitted at the option of the Political Party

Not all parties submit endorsements and some parties may endorse a candidate from another party. A candidate’s party preference does not necessarily mean that they have that party’s endorsement or support.

The following Political Parties have submitted endorsements and have been listed below in the order of the Santa Barbara County randomized alphabet drawing.

INSTRUCTIONS TO VOTERS: Marking your ballot

- To use only black or blue ink to mark your choice on your ballot.
- To vote for a candidate for Chief Justice of California, Associate Justice of the Supreme Court, Presiding Justice, Court of Appeal, or Associate Justice, Court of Appeal, fill in the oval to the right of the word "Yes." To vote against that candidate, fill in the oval to the right of the word "No.".
- To vote for a candidate of your selection, fill in the oval to the right of the candidate's name. Where two or more candidates for the same office are to be elected, place a mark next to the names of all candidates for the office for whom you desire to vote, not to exceed, however, the number of candidates to be elected.
- To vote for any measure, fill in the oval next to the word "Yes" or next to the word "No."
- Marking the ballot outside of the designated space to vote for a candidate or measure may compromise the secrecy of the vote.
- If you wrongly mark, tear, or deface the ballot, contact the election official for instructions or to obtain another ballot.

Write-In Candidates

- To vote for a qualified write-in candidate, fill in the oval next to the blank line and write the person's name in the blank space provided for that purpose after the names of the other candidates for the same office.
- A list of qualified write-in candidates is available ten days before the election at www.sos.ca.gov.
- Do not write-in a candidate whose name already appears on the ballot for that contest.

VOTER-NOMINATED AND NONPARTISAN OFFICES

All voters, regardless of the party preference they have chosen on their registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by or the party that approves the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.

Elections in California

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent +1), a general election still must be held.

California’s open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party’s official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Judicial Confirmation

Under the California Constitution, justices of the Supreme Court and the courts of appeal are subject to confirmation by the voters. The public votes “yes” or “no” on whether to retain each justice. These judicial offices are nonpartisan.

Before a person can become an appellate justice, the Governor must submit the candidate’s name to the Judicial Nominees Evaluation Commission, which is comprised of public members and lawyers. The commission conducts a thorough review of the candidate’s background and qualifications, with community input, and then forwards its evaluation of the candidate to the Governor. The Governor then reviews the commission’s evaluation and officially nominates the candidate. The Commission on Judicial Appointments must then confirm or reject the nomination. Only if confirmed does the nominee become a justice.

Following confirmation, the justice is sworn into office and is subject to voter approval at the next gubernatorial election, and thereafter at the conclusion of each term. When a state Supreme Court or Court of Appeal justice is near the end of a term in office, voters are asked to decide if the justice will be retained (continue to serve) for an additional term. This is called a retention election.

In retention elections, justices do not run against opposing candidates. If a justice receives more “yes” votes, the justice may remain in his or her position. If a justice receives more “no” votes, the justice will complete the current term and then a new justice will be appointed by the Governor.

State Supreme Court justices hold statewide office so all California voters participate in Supreme Court retention elections. Courts of Appeal justices serve in one of six districts in California. Only registered voters within an appellate district are asked to determine if the justices of that district will be retained.

TIME OFF FOR VOTING
DIVISION 14. ELECTION DAY PROCEDURES
CHAPTER 1. Privileges of Voters

14000.
(a) If a voter does not have sufficient time outside of working hours to vote at a statewide election, the voter may, without loss of pay, take off enough working time that, when added to the voting time available outside of working hours, will enable the voter to vote.
(b) No more than two hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift, whichever allows the most free time for voting and the least time off from the regular working shift, unless otherwise mutually agreed.
(c) If the employee on the third working day prior to the day of election, knows or has reason to believe that time off will be necessary to be able to vote on election day, the employee shall give the employer at least two working days’ notice that time off for voting is desired, in accordance with this section.
