**STATEMENT OF CANDIDATE FOR
United States Representative, District 24**

ROBERT SMITH

Age: 46

Occupation: Senior Systems Engineer

Education and Qualifications: Today, hardworking Californians are facing some of the highest costs in the nation. We rank near the bottom in affordability, access to homeownership, energy costs, and the overall cost of living, the very issues that determine whether families can build a future here.

I'm a Navy veteran who served our country for 26 years, rising from junior enlisted to senior Commander. As a Naval Officer and Systems Engineer, I led high-stakes national security programs and operations, solving some of our military's toughest technological challenges.

Service has always defined my life. I'm running for Congress to continue that service, not to build a career in politics, but to deliver real solutions for our country, our state, and the Central Coast.

My priorities are clear:

- Restoring affordability and expanding homeownership
- Strengthening education and workforce pathways
- Securing reliable energy and water resources
- Advancing responsible immigration reform
- Defending our nation and supporting our veterans

The challenges we face are not partisan; they are practical. Washington must move beyond ideological gridlock and return to solving problems for the American people.

I will work to bring federal resources home to our district and strengthen our local economy.

I'm running to serve our community and to ensure our children can live and work in the communities they call home. I respectfully ask for your vote. Learn more at www.bobsmithforcongress.com.

**STATEMENT OF CANDIDATE FOR
United States Representative, District 24**

SALUD CARBAJAL

Age: 61

Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and in Congress I'm fighting to lower the cost of living, keep our families safe, and deliver results for the Central Coast.

My father was a farmworker in Ventura County. I worked two jobs while I attended UCSB, becoming the first in my family to graduate from a university, and proudly served in the Marine Corps Reserves. I know what it's like to work hard and still worry about making ends meet — that's what drives me in Congress.

That's why I worked to pass the largest infrastructure investment in a generation, bringing over \$1 billion to our region — fixing highways and bridges, expanding high-speed internet, and supporting over 13,000 good-paying jobs. I voted to cap insulin at \$35 a month for Medicare recipients, lower prescription drug costs for seniors, and cut health insurance premiums — because no one should have to choose between medicine and groceries.

Community safety is personal to me. I authored a provision in the first federal gun safety law in 30 years, giving law enforcement new tools to prevent violence before it happens. I've fought to strengthen services for veterans, protect our coastline from offshore drilling, expand access to housing, and stand up for immigrant families and farmworkers who are the backbone of our agricultural economy.

My office has helped over 3,500 neighbors resolve issues with federal agencies, and I've worked to secure \$8.8 billion for our region. Every dollar and every case matters — and so does your voice.

**STATEMENT OF CANDIDATE FOR
United States Representative, District 24**

SARAH BACON

Age: 45

Occupation: Elected UCSB Student Government Officer

Education and Qualifications: My name is Sarah Bacon and I'm running to represent the Central Coast in Congress. I'm a lifelong resident of our congressional district, a former technology executive, and an elected graduate student leader working on state and federal policy affecting over 60,000 University of California graduate students.

I'm on the side of people, period. I'm a progressive Democrat who fights for all people regardless of party, ideology, or identity. Through my professional leadership and elected advocacy, I have demonstrated courageous, clear communication and a relentless commitment to fighting corruption, protecting human rights, and strengthening transparency and accountability.

Life is too expensive, especially on the Central Coast, because our current system concentrates power instead of empowering everyday people. It doesn't have to be this way. In Congress, I will prioritize oversight and reform that holds corporations, powerful individuals, and government officials accountable when they exploit the system.

Congress must reclaim its constitutional role as a co-equal branch of government. Americans deserve a government that reflects our shared commitment to the rule of law, democracy, and the Constitution. In Congress, I will build the coalitions necessary to restore its authority and defend our democracy.

I believe in people over power, integrity over corruption, and government that serves the public.

We deserve leadership that listens, acts with urgency, and fights for ordinary people over corporations, billionaires, and special interests. In Congress, I will always be on the side of people, period. Connect with me at www.sarahbacon.com.

**STATEMENT OF CANDIDATE FOR
State Assembly
District 37**

GREGG HART

Occupation: California State Assemblymember

Education and Qualifications: Serving the Central Coast in the California State Assembly has been the honor of my lifetime. Every day, I work to protect the quality of life, natural beauty, and economic opportunity that make our community such a special place to live.

I have passed laws to protect consumers, strengthen public safety, and preserve our coastline and environment, while creating jobs and securing investments in affordable housing, healthcare, and education.

Leading the California Assembly Subcommittee on Accountability & Oversight, I work to ensure government is accountable to the promises it makes to taxpayers.

As a problem solver, I work with our federal, state, and local leaders to find common-sense solutions—delivering real results for the Central Coast.

I understand the challenges Central Coast families face: rising housing, grocery, and utility costs that strain household budgets; working families and retirees living one unexpected expense away from hardship; and immigrant neighbors striving for the dignity, safety, and opportunity every family deserves.

California is home to the fifth-largest economy in the world and an unmatched spirit of innovation. But our success means little unless it is shared by everyone. I will continue fighting to ensure that those who work hard can afford to live here, raise their families here, and build a secure future here.

The Central Coast is a place worth protecting. I am committed to strengthening our economy, safeguarding our environment, and preserving our quality of life for future generations.

I am honored to have the support of firefighters, nurses, Planned Parenthood, and the Sierra Club. I respectfully ask for your vote.

**STATEMENT OF CANDIDATE FOR
Judge of the Superior Court
Office 2**

THOMAS REAGAN ADAMS JR.

Occupation: Judge of the Santa Barbara Superior Court

Education and Qualifications: For more than forty years I have worked hard to serve Santa Barbara County with integrity, independence, and unwavering commitment to the rule of law. During my lengthy judicial career I have presided over tens of thousands of criminal, civil, family court, and juvenile court cases, - from complex homicide trials to my current assignment presiding over hundreds of criminal court matters each week. Having previously served as Presiding Judge of the Superior Court, I have also presided over both the Family Law Court and Juvenile Court divisions. I have helped shape programs that continue to strengthen our community, including California's very first Teen Court program, the "Children in the Middle" program for families going through divorce transitions, and Santa Barbara's CASA program advocating for abused and neglected children. I have been honored with the Santa Barbara Legal Aid Foundation's "Richard Goldman Heroes for Justice Award" and the Santa Barbara Bar Association's "Judicial Excellence Award", the two highest honors these organizations bestow upon judges. I ask for your trust and support so that I may continue serving our community with experience, fairness and dedication. I would greatly appreciate your vote and I thank you for your consideration.

**STATEMENT OF CANDIDATE FOR
County Supervisor
District 2**

ELIJAH MACK

Occupation: Spiritual Educator

Education and Qualifications: Greetings! I'm Elijah Mack, your average Santa Barbarian neighbor, community volunteer, and enthusiastic localist; not a career politician. I'm running to keep our county government accountable and efficient, and to realign its focus toward what truly matters – the spirit and vitality of our community.

My goals are simple: to empower the individuals, families, workers, and entrepreneurs who make our county unique; to preserve our local traditions and natural scenery; and to fight for a Santa Barbara County where locals can afford to remain, well, locals.

This means, in part, advocating for policies that increase economic freedom and put housing within reach for our neighbors; so families, farmers, and small business owners can thrive here without fear of being priced out of communities they built or put in a bureaucratic chokehold.

My vision for Santa Barbara County is a tight-knit community, with localized economics, civic participation, and community festivities; where the tightening of our budget, shuttering of businesses, and loss of multi-generational locals comes to an end. Everything local, rooted, and real; that's my commitment, not party lines or private interests.

I can only say so much here, so if you want to read my full platform, visit elijahmack.com

**STATEMENT OF CANDIDATE FOR
County Supervisor
District 2**

LAURA KAROLINA CAPPS

Occupation: County Supervisor, District 2

Education and Qualifications: I serve Santa Barbara County by turning community needs into real results. I stand up to the oil industry, provide strong fiscal oversight, expand affordable housing, protect our natural environment, and fight for immigrant families. I take government to the neighborhoods, turning resident input into real solutions and cut through red tape. I'm proud to have earned the endorsement of the Firefighters, Sierra Club, Democratic Party, and elected leaders including Congressman Salud Carbajal and Senator Monique Limón. I stand firm for what's right while collaborating for the good of our entire county.

Born in Goleta and raised in Santa Barbara, I graduated from UC Berkeley with a master's degree from the London School of Economics. I then worked in the White House and U.S. Senate before serving on the Santa Barbara School Board, where I helped make our schools safer, more equitable, and more sustainable. Through No Kid Hungry, I expanded access to free meals for low-income children. Throughout my career, children have been my North Star.

I've advocated for women through Planned Parenthood and as Chair of the Women's Commission. I fought for our environment with the Community Environmental Council and Ocean Conservancy.

I respectfully ask for your vote.

**STATEMENT OF CANDIDATE FOR
Auditor-Controller**

BETSY M. SCHAFFER

Age: 59

Occupation: Santa Barbara County Auditor-Controller

Education and Qualifications: This job is about the public's money -our money- and who is best qualified to count your tax dollars. You elected me as Auditor-Controller in 2018. I have 35 years of knowledge and experience working in this complex accounting and auditing environment.

The Auditor-Controller's independence and objectivity is critically important for all customers of the Auditor-Controller's Office: County, Cities, Special Districts, Community Colleges, and School Districts. This independence is relied upon for calculating property tax rates and allocating property tax revenue, recording and managing the flow of funds for state and federal programs, financial oversight, and investigating fraud and whistleblower reports.

My diversified experience in Government, Management, Technology, and Auditing uniquely qualifies me. I am a Certified Public Accountant, a Certified Public Finance Officer, and a Certified Fraud Examiner.

I have an Accounting Degree from Cal Poly, extensive government experience at the County, City of Santa Barbara, SBCC, and School Districts. I have lived in the County for 45+ years and grew up in Santa Maria.

I am endorsed by the prior two Auditor-Controllers (Geis, Fallati), who have worked with and advised me for the last 35 years. I am also endorsed by Joyce Dudley, District Attorney, (2010-2022).

**STATEMENT OF CANDIDATE FOR
Auditor-Controller**

KYLE SLATTERY

Age: 40

Occupation: Certified Public Accountant

Education and Qualifications: As a lifelong Santa Barbara County resident, Certified Public Accountant, and experienced public finance leader, I will provide steady, professional leadership in the County Auditor-Controller's Office.

I attended local public schools and graduated from Cal Poly San Luis Obispo with a degree in Business Administration. My experience includes work with a national accounting firm and more than 12 years in the County Auditor-Controller's Office, including five years as Chief Deputy Controller overseeing accounting, financial reporting, budgets, and major initiatives.

I currently serve as Deputy Chief Information Officer in the County's Information Technology Department, where I help lead modernization of the County's enterprise systems to improve efficiency and support better services across County government. I also volunteer as treasurer for several local nonprofit organizations.

Throughout my career, I have strengthened financial transparency, improved accountability, and promoted collaboration across government functions. I will lead this office with integrity, professionalism, and sound fiscal management.

I am proud to have earned support from leaders across Santa Barbara County, including four members of the County Board of Supervisors.

As a father raising my family here, I will work to build a strong and accountable financial future for our County.

MELINDA GREENE

Occupation: Chief Deputy Clerk-Recorder

Education and Qualifications: Experienced leadership—With 30 years working with the Santa Barbara County Clerk-Recorder-Assessor Department—including 12 transformative years as Chief Deputy—I have the expertise and vision to drive positive change and make the office responsive to the community.

I will never lose sight of the human impact behind every action: every record filed, every property assessed, residents count on us for fairness, efficiency and accuracy.

I bring a strong foundation in financial and technical excellence: including a degree in Business-Economics and Accounting from University of California Santa Barbara, and professional credentials as a Certified Public Accountant, Certified Public Finance Officer, Certified Elections Registration Administrator, and Advanced Appraiser. I will work hard to ensure efficient, reliable service: secure our elections, protect property rights, and guarantee stable local school funding through accurate assessments.

My priorities are clear: equitable public access throughout our county, combating real estate fraud through crucial technological upgrades, and championing fiscal responsibility through transparent, accountable leadership.

Santa Barbara County deserves a proactive, engaged leader, accessible to the public and staff. I will lead with integrity and commitment. **IMPARTIAL ANALYSIS BY CITY ATTORNEY
MEASURE A2026
CITY OF SANTA BARBARA**

Measure A2026 is a City Council proposal to amend City Charter Section 521 to allow flexibility relating to certain contracts and to leases of City property. Measure A2026 will amend the City Charter to allow the City Council to lease or sell City property as a municipal affair in any manner available to other charter cities in California within the full scope of its "Home Rule" authority under the California Constitution.

The City Charter currently limits leases of City property to a maximum term of 50 years. The amendment would remove that limit. The City Charter also currently requires contracts that bind the City for longer than 5 years be approved by ordinance. The amendment would also authorize approval of such contracts by resolution of the City Council.

Measure A2026 will amend Charter Section 521 to read: No contract or lease by which the City is bound for a longer period than five years shall be valid unless the contract is approved by ordinance or resolution of the City Council. The City has the authority and flexibility to approve contracts for the sale, lease, or use of city property as allowed by the City Charter or the California Constitution. The City may lease property owned, held, or controlled by it with terms established by the City Council. This section shall not apply to any franchise granted pursuant to the provisions of this Charter or to any contract for the furnishing or acquisition of the products, commodities, or services of any public utility.

A "yes" vote is a vote to approve the proposed Charter amendment.

A "no" vote is a vote not to approve the proposed Charter amendment.

City Attorney

**ARGUMENT IN FAVOR OF
MEASURE A2026
CITY OF SANTA BARBARA**

**NO ARGUMENT AGAINST
MEASURE A2026 WAS FILED**

Vote yes on Measure A2026! The current restrictions on lease lengths in the City Charter are preventing the City from building workforce housing and generating economic development on City-owned land. By eliminating the 50 year lease restriction, the City will have flexibility to negotiate public-private partnerships and allow for better financial returns without having to give up or "donate" city-owned land. The City has many opportunities to build workforce housing on underutilized City parking lots and City parcels but we need the option to negotiate longer term ground leases and preserve City assets. The change to the Charter would authorize the City Council to approve the length and terms of all lease agreements based on economic conditions existing at the time of approval, creating maximum flexibility for successful projects that preserve the City's ownership of our properties. Join a unanimous City Council and community leaders in supporting and voting yes on Measure A2026.

The undersigned proponent(s) or author(s) of the primary argument in favor of Ballot Measure A2026 at the Statewide Direct Primary Election for the City of Santa Barbara to be held on June 2, 2026 hereby state that this argument is true and correct to the best of their knowledge and belief.

Postelection Processing

The post-election period, known as the official canvass, is open to the public. Election results are not final until all ballots are counted. California Elections Code section 15272 requires counties to certify their election results by July 2, 2026. During this 30-day period, an inspection of election materials and ballots is conducted. Results are certified when the canvass is complete.

Anyone is welcome to observe postelection processing. To learn more about canvass processing activities, please visit sbcvote.com, or call the Santa Barbara County Elections Division at 805-568-2200 or toll free at 1-800-SBC-VOTE (800-722-8683).

THIS IS HOW SANTA BARBARA COUNTY STAYS OFFICIALLY INFORMED IN AN EMERGENCY

The County's emergency notification system is designed to provide official information and warnings before, during and after emergencies. This is vital in helping residents make important safety decisions, such as evacuation.

ReadySBC Alerts:

This is the County's central alerting tool. It sends warnings and information to residents through text message, email, cellular phone (voice), landline, and TTY/TTD.

How do I get this? In order to receive these official messages from the County, you must sign up for alerts. Go to www.ReadySBC.org. To confirm you are signed up, click the red "Register for Alerts" button, then follow the prompts to log in. Once you are in the system, verify that your info is correct and you have at least one address listed and one way for the County to reach you (text, email, cell, landline).

Nixle:

This alerting tool delivers emergency alerts and information through a short text message and it's completely anonymous!

How do I get this? Text your zip code to **888777** and you are done! You can also receive Nixle text alerts in Spanish. More info is available at www.Nixle.com

Emergency Alert System (EAS):

EAS messages are transmitted via radio and television by participating local broadcasters, cable, and satellite providers and contain an audio message and a scrolling text.

How do I get this? You do not have to sign up for these types of alerts but you do have to be tuning into a local TV, radio, or cable/satellite station.

Wireless Emergency Alerts (WEA):

WEA is a public safety alerting tool that allows customers who own certain wireless phones and other enabled mobile devices to receive geographically-targeted, text-like messages alerting them of imminent threats to safety in their area.

How do I get this? You do not need to sign up to receive a WEA, but wireless companies volunteer to participate in the system, so check with your cell phone company to find out if they participate.
